BUS ROUTES 2016 – 2017

The bus route number for your child will now appear on PowerSchool with your child's teacher and classroom information. Please obtain the bus number from PowerSchool then check the route list for the closest stop. Both AM and PM routes are published.

Please be aware that the published bus routes are subject to change and it is recommended that you review the bus information again before schools starts.

Students should be at their bus stop 10 minutes before the assigned pick up time. The times are approximate and may vary due to weather, construction, traffic issues or other unforeseen circumstances.
