

### Student Photo, Media and Schoolwork Release Form

The Connecticut Technical Education and Career System (CTECS) produces a variety of print and electronic media to promote and celebrate the accomplishments of its students, programs and for school marketing and/or community relations efforts purposes. In connection with those efforts, photos/videos may be used in CTECS publications, advertisements, video productions, newspapers, television, on CTECS social media site(s), or on CTECS's Web page. Related to those same efforts, external media, such as newspapers and/or television, may post news items depicting CTECS-related events/programs on their websites.

I hereby grant permission to CTECS and its authorized representatives, to use and to edit as desired, my student's name, likeness, still or moving image, voice, quotes, and performance, as well as selected schoolwork, in CTECS's marketing and community relations efforts, both online and in print, in any manner or in any medium for the purposes stated above.

I understand and agree that all images and videos in which my student appears will become the property of CTECS and that CTECS shall have the exclusive right, title, and interest, including copyright, in these works.

I waive the right to approve or inspect images or videos of my student used in CTECS' marketing and/or community relations efforts.

I understand that neither my student nor I will receive compensation for the use of my student's image.

I understand that granting permission includes the potential risk of loss of privacy. I agree and release and hold harmless CTECS and its authorized representatives from any liability or claims of damage, known or unknown, related to such use including any cause of action that may arise from the unauthorized reproduction of these works.
