JOIN TODAY!

About the PFO:

The Parent Teacher Organization (PFO) is a group of Volunteers (Parent, Faculty, and community members) that work together to enrich the school environment for students as well as the faculty. The PFO is a registered 501 (C) (3) non-profit organization.

Why Join the PFO?

When you join the PFO you join a community that encourages students' achievement and enriches the learning environment. We believe that TOGETHER we can help students be successful. Your contribution goes towards your PFO membership (Regular) and directly benefits Platt Tech Students by providing funding for class activities, trips, scholarships, and so much more!

What if I'm too busy to volunteer?

No problem! We still would love for you to join the PFO. There is no obligation to volunteer or attend the meetings, however, we welcome and encourage you to do so.
