

# PLATT TECH PARENT FACULTY ALUMNI ORGANIZATION (PFAO) MEMBERSHIP FORM

## Be Part of the Panther Pride!

*Together for Platt Tech: Celebrating Community, Supporting Students, Creating Opportunity.*

The **Platt Tech PFAO** (formally the Platt Tech PFO), is a dedicated group of parents, alumni, faculty, staff, and community members working together to support students, celebrate educators, and strengthen the Platt Tech community as a whole.

In April 2025, we voted to include alumni, recognizing their valuable contributions and deep-rooted connection to our school. Their experience, mentorship, and support help bridge the past and present, strengthening tradition, fostering student success, and reinforcing a lifelong sense of community. By welcoming alumni, we ensure their legacy continues to shape and inspire future generations.

## WHY JOIN THE Platt Tech PFAO?

Join the Platt Tech PFAO and make a lasting impact! Parents, faculty, alumni, and community members come together to strengthen school spirit, support educators, and enrich student success. Through scholarships, activities, and meaningful opportunities, we help shape the future of Platt Tech.

By joining, you become part of a community that champions student achievement and fosters an enriching learning environment. Together, we empower students, fund experiences, and build traditions that inspire excellence. **Your involvement makes all the difference—because when we unite, success grows!**
