

Platt Tech Parent Faculty Alumni Organization (PFAO)

Who We Are:

The Platt Tech Parent Faculty Alumni Organization (PFAO) brings together parents, guardians, faculty, staff, alumni, and community members with a shared commitment: to support students, celebrate faculty and staff, and strengthen the Panther community through connection and pride.

Our Mission:

At Platt Tech PFAO, our mission is to unite families, faculty, staff, alumni, and community members in support of students, faculty, and staff while celebrating Panther pride. We aim to strengthen the full student experience through academics, trades, athletics, clubs, and meaningful activities, while also creating opportunities for alumni and community partners to mentor and inspire the next generation. By working together, we ensure every student, faculty member, and staff member at Platt Tech is supported, encouraged, and prepared for success.
